

# EQUA Academy's Simulation Summit 2015 - Agenda

## Sun 27<sup>th</sup> Sep

- 12:53 Train arrival from Lucerne
- 13:00 We meet at Engelberg train station  
transfer – cable car – 2.5 hours hiking
- 17:30 Arrival at our hut. Welcome drink  
Dinner  
Evening session
  - Participant presentation
  - Introduction of validation exercise:
    - o Modelling our alpine hut
    - o Modelling our tent sauna
  - Setting up monitoring

## Mon 28<sup>th</sup> Sep

- 08:00 Breakfast
- 09:00 Morning session
  - Lecture “Building models and its validation”
  - Working on the validation exercise
  - Setting up monitoring
- 12:30 Lunch  
Options for the afternoon:
  - Introduction to the local wildlife
  - Putting up the tent sauna
  - Exploring the hut’s surrounding
  - Individual activities
- 18:00 Dinner
- 19:30 Evening session
  - Working on the validation exercise

## Tue 29<sup>th</sup> Sep

- 08:00 Breakfast
- 09:00 Morning session
  - Lecture “nmf modelling”
  - Working on the validation exercise
- 12:00 Walking to Brunni -> packed lunch  
Options for the afternoon:
  - Climbing in the Klettergarten
  - Alpine kneipping
  - Individual activities
- 18:00 Dinner
- 19:30 Evening session
  - Working on the validation exercise

# EQUA Academy's Simulation Summit 2015 - Agenda

## Wed 30<sup>th</sup> Sep

- 08:00 Breakfast
- 09:00 Morning session
- Presentation of the models and its validation
  - Discussion and best validated model award
  - Lecture "building optimization"
- 12:30 Lunch
- Options for the afternoon:
- Hiking towards Rotgrätli, Schlossfirn glacier and Wissigstock (2887 m above sea level)
  - Individual activities
- 18:00 Dinner
- 19:30 Evening session
- Working on the calibration exercise

## Thur 1<sup>st</sup> Oct

- 08:00 Breakfast
- 09:00 Morning session
- Working on the calibration exercise
  - Lecture "Optimization goals"
- 12:30 Lunch
- Options for the afternoon:
- Catch up on something we had to skip during the preceding days due to bad weather
  - Individual activities
- 18:00 Dinner
- 19:30 Evening session
- Presentation of the model calibrations
  - Discussion of the optimization potentials
  - Working on the optimization exercise

## Fri 2<sup>nd</sup> October

- 08:00 Breakfast
- 09:00 Morning session
- Result presentations of the optimized models
  - Best optimization award
- 12:30 Farewell lunch
- Hiking down to Engelberg
- 17:00 Arrival at Engelberg train station. End of the summit
- 17:01 Train departure for Lucerne
